Passionate and detail-oriented Front-End Developer with a knack for turning creative ideas into sleek, user-friendly web experiences. With 11 years of hands-on experience, I specialize in HTML, CSS, JavaScript, Wordpress Sites, and modern frameworks like React. I enjoy crafting responsive designs and collaborating with teams to bring innovative projects to life. Continuously learning and evolving, I'm always on the lookout for new challenges to refine my skills and create meaningful digital experiences.

Work Experience

Front-end Developer

Seven Seven Global Services, Inc. *Oct 2022 – June 20, 2025 | The Orient Square, Ortigas Center, Pasig City*
